

Are you hosting a UCR Student Teacher? Enjoy 50% off a UCRX Education Class!

UCR would like to thank our District Cooperating Teachers (DCTs) by offering you a unique opportunity for personal and professional growth. Have you had a UCR student teacher for at least one full quarter? If so, you're eligible to get 50% off the course fee of one* UCR Extension education course!

Email credentials@ucx.ucr.edu and specify that you are a DCT and include the course you would like to enroll in. Your status as a DCT will be verified and then you will be sent a request to enroll in the course with the discount applied. Materials fees associated with the course must be paid in full.
