EDUC 428.09: Teaching the Gifted and Talented: Guidance and Goals of the Program

Other courses may be used to complete degree and elective requirements, in consultation with the Faculty Advisor and approval by the Graduate Advisor.

Analytical Report

Students are required to complete a final analytical report addressing a specific concern or issue regarding diversity and educational equity in classrooms, schools, districts, community or non-profit organizations, or school policy at the state or federal level. A final version of the project will be submitted to the Graduate School of Education and evaluated by faculty in the Education, Society, and Culture area. Students enroll in EDUC 297 for 4 units with their faculty advisor, which will count towards the 36 units required for the program.
