

Catalog 2021:

The Education, Society, and Human Development major offers to any undergraduate student an introduction to issues, policies, and practices of education and research in schools, and learning across contexts.

The ***Community Leadership, Policy, and Social Justice*** concentration prepares you to acquire a critical understanding of educational theory, research, policy, and practice from an interdisciplinary perspective across the educational pipeline (PK through Higher Education) with a focus on challenging inequality and promoting equity and social justice.

Coursework: Major requires satisfactory completion of at least 48 units in courses identified below for the major.
